

The Alliance Française of Charlottesville is offering a FUN, INTERACTIVE, and ENGAGING online “private schools only” French club for elementary school students this winter!

Come learn French in a supportive and action-packed atmosphere on Tuesdays at 3:30 for 8 weeks,
February 1 – March 22, 2021.

Our teachers are experienced with online teaching and know how to make the lessons fully interactive!

Our club focuses on French speaking and listening as we explore the French language and culture through songs, movement, and crafts!

*This session’s theme is “**How to be a tourist in Paris**”. Students will climb the Eiffel Tower, visit Notre Dame, become street artists at Montmartre, order in a café, take the metro, and more!*

Online registration is open until Thursday, January 21st!
