Message from 4th grade Team

Hello 4th Grade parents,

It was a wonderful week back together again. It's hard to believe we've already made it to 2022! We hope the new year brings for you lots of joy, happiness, and good health; with beautiful moments, treasured memories, and all the blessings a heart can know. We hope you have a great and restful weekend. Stay warm!

In Christ,

Andrea Taleghani and Andrew Burgin

Winter Weather Update for Tuesday, 1/18. A note from Mr. Riley:

Winter Weather:

I am aware that there is potential for another winter storm Sunday into Monday. Fortunately, Monday is a federal holiday and school is closed. If we are unable to physically be in the building on Tuesday, we are planning on attempting a virtual day. We are doing this because we have already missed 5 days of school and hope to not add make-up days to the end of our school year. I fully realize that this plan only works if the area does not lose power or internet. If we have virtual school and you cannot access, it will be an excused absence. Teachers will be sending home materials that will be needed in the event that we are home. JK-3rd grade will be largely asynchronous, with digital check-ins available throughout the day. 4th-8th grades will utilize Google Meet and Google Classroom to hold classes as normally scheduled.

Please know that this is just an attempt. If it is just not feasible, we will cancel school as we normally would.

Announcements

- Please be mindful of absences! (appointments, trips, etc)

- As we have several students with peanut allergies in 4th grade, **we are a peanut free grade level. That includes snacks, lunches, and any other form of food.**
- Please remember that the only accepted variations of the navy blue uniform pants come from FlynnO'Hara. and Lands End.

Week in Review

Language Arts

In Language Arts this week, students worked on their New Year's goal setting and creating powerful endings to their realistic fiction stories.

Social Studies

In Social Studies this week, students began work on creating a comic strip based on what was learned in Ch. 4 of our Social Studies curriculum. We also began Ch. 5 which focuses on the American Revolution!

Ch. 5 Test is scheduled for Friday (1/28)

Math

In Math this week we have been focused on long division through the thousands-place. We've been reviewing strategies for division that we learned before Christmas break (distributive property/box method/partial quotients), and have enjoyed solving multi-step word problems with varying operations.

Science

In Science this week we transitioned from Life Science to Earth Science, and learned all about rocks and minerals, (sedimentary, metamorphic and igneous rocks) the Rock Cycle, weathering and erosion. The Ch. 7 test is scheduled for Friday, 1/21. The study guide, and key concept questions from lessons 1-4 can be found on the Science Google Classroom.

Religion

In Religion this week we have been focused on how to love God, ourselves, and others in our study of the 10 Commandments and the Precepts of the Church. We enjoyed learning about our "Partner in Faith" for Unit 3 L 13, Saint Louis of Toulouse, and are striving to be faithful disciples in our everyday lives. Today we took the Unit 3 Lesson 13 quiz.
