Message from 4th grade Team

Hello CCS parents,

Good afternoon! We hope you had as wonderful of a week as we did! As the 1st quarter winds down, we are really pushing our minds and our effort. Students are doing such a fantastic job and we are so proud of the hard work that we've seen. Thank you and have a restful weekend!

Blessings,
4th Grade Team

Follow-up back to school night information: All tests and quizzes for Math, Science and Religion will be taken via google forms. Each time your child takes a test or quiz, he/she will receive a response receipt with his/her answers, the questions, and the correct answers, along with the final grade. They are able to see the questions missed/correct answers and their grade immediately following their submission. I want to be sure you all are able to keep up with their test/quiz progress so it is imperative for you to have access to their email login information. Should you need this information please let me know and I'd be happy to share it with you. They were all given a notecard with their email and password, and many of the students have memorized it already.

Week in Review

Language Arts

In Language Arts this week, students wrote an alternate ending to “The Tiger Rising”! This was such a fantastic experience and it was fun to see their creativity on display!

Students will also continue their nightly reading logs next week. This will be in their homework folder. Students are expected to read and fill out their reading log nightly Monday through Friday.

Spelling Test- 10/22

Social Studies

In Social Studies this week, students sharpened their map skills and continued to learn how to use nonfiction texts properly.

Math

In Math this week we have been working on foundational skills for multiplication and division. We have been focused on factors and multiples, properties/rules of multiplication and division, and word problems containing multiplicative/additive comparisons.

The Chapter 3 test is scheduled for Wednesday, 10/20.

Science

In Science this week we finished Chapter 2, and have been focused on physical and behavioral Animal Adaptations (Chapter 3).

Our Adaptations project is due on Monday, 10/25. This project is to be worked on at home.

Religion

In Religion this week we have enjoyed learning about the parts/order of the Mass. We began Unit 2- “How does God share his life with us”, and reflected on ways we share in God’s life through the sacraments, and in various other parts of the Mass.

There will be a quiz on Unit 2 Lesson 6 on Tuesday, 10/19.
