

## Junior Kindergarten Newsletter Week of November 1, 2021

### **Academics**

1. We will start learning more letters this week. Letter N will be our focus this week and next due to our shortened school week.
2. In math I am going to start a unit on sorting. I will continue working on numbers 6-10.
3. Since it is All Saints week we will continue learning about some popular Saints.
4. I am going to begin a science unit on day/night, sun/moon, morning/afternoon/evening, and nocturnal animals. This will last for several weeks.

### **Books**

“Owl Babies: by Martin Waddell,  
“Little Owl’s Night” by Divya Srinivasan and other non-fiction books about owls and other nocturnal animals

### **Other**

1. Report cards will be coming. I have been completing some assessments and will also send the results of those home on Wednesday as well as a short anecdotal note regarding your child’s progress. This can be the springboard for our discussion at conferences.

### **2. School Pictures: Wednesday November 3rd.**

3. Parent Teacher conferences are coming up on November 4th and 5th. There will be an early dismissal on Thursday the 4th and no school on the 5th in order to hold conferences.
4. Please make sure that your child has a mask that fits over their mouth and nose. Also remind your child that it is really important that they keep the mask above their nose. We are all getting tired of wearing them but it is very important that they wear it properly.

Yours in Christ,  
Christine Shank
