## Friday Newsletter

### Junior Kindergarten

Both JK classes attended Hispanic Heritage Mass this week and did a tremendous job of participating and/or quietly listening. It was really special to see students walk down the aisle with the flags of different countries and to sing in Spanish and English. Students also took part in praying a decade of the Rosary with the school on Tuesday. We will continue this tradition every Tuesday through the month of October. We are looking forward to our field trip on October 24th. Please return the permission slip by October 15th. All drivers/chaperones must complete a volunteer driver form and provide us with a copy of their insurance.

### Important Dates

**Friday, October 6** - Blue & Gold Day

**Monday, October 10** - School closed (Teacher Work Day)

**Friday, October 14** - Movie Night at CCS, "CoCo"

**Thursday October 20** - School pictures for JK

**Friday, October 21**--School closed (Student/Teacher Holiday)

**Monday October 24** - Field trip to Carters Mountain Farm

**Friday October 28** - Service Day

**Thursday, November 3**--11:30AM dismissal (Parent/Teacher Conferences)

**\*\*Aftercare will NOT be offered\*\***

**Friday, November 4**--School closed (Parent/Teacher Conferences)

### Math

---

We continue to work on number sense, until our students have a solid understanding of numbers 0-20. Number sense is critical to all future mathematical concepts and operations. We watch videos about numbers, and practice writing and counting. We are also working on sequencing numbers.

### Language Arts/Reading/Writing

---

Both classes studied the letter I this week. We created the letter I with play-doh, dot paint, and even our bodies! We practiced tracing and writing them on our own. We also reviewed the

letters that we have learned so far and talked about how we can already make words! Ms. Wawner's class sounded out sat, sap, pat, and tap! Next week, Ms. Wawner's will learn about the letter N. Ms. Shank will be reviewing the letters we learned so far and completing an assessment of those letters.

## Religion

Ms. Wawner's class continues to learn about the importance of prayer and practice saying The Lord's Prayer, The Hail Mary, and The Glory Be. We will also be learning about the things the students see at Mass and signs and symbols of our faith.

## Science

Ms. Wawner's class wrapped up exploring the five senses by learning about touch. We learned to identify items that are rough, smooth, hard, and soft. We went on a texture walk and had fun guessing what items were in the mystery box by touch alone.

Ms. Shank's class learned about owls, (barn owls, screech owls, burrowing owls, snowy owls), and their habitat. We also talked about owl adaptations. The students watched as Ms. Shank dissected an owl pellet.

## Other Information

Wednesday we have P.E. Please make sure that your student wears athletic shoes.
