Important Dates

Wednesday November 23rd - 25th - Thanksgiving Break

Wednesday, December 14th - Christmas Concert

Math

JK students continued to work on understanding the teen numbers. We will also continue working on more and less, greater than and less than, same and equal.

Language Arts/Reading/Writing

Ms. Wawner's class learned about the letter O this week and did a deep dive on the octopus. Ask your student one fact they know about octopuses! Students have been making little reader books and are working on using their finger to follow along as they say each word. Ms. Shank's class started our reading groups and our sight word was THE. We will be working on the letter G. Please make sure that the students bring their book in a bag back to school each day as we use those for reading group.

Religion

Students continued their study of saints this week and learned about religious vocations. We will be learning about David and Goliath and faithfulness.

Science/Social Studies

Ms. Wawner's class focused on symbols of America this week and learned all about elections and voting. They even filled out voter registration cards and voted in our election for best candy. At the end of the week, the class learned about veterans and why we honor them on November 11th. Ms. Shank's class will be starting a science unit on chemistry and chemical reactions with some fun experiments.
