

Junior Kindergarten Newsletter  
Week of November 15, 2021

### **Academics**

1. We are moving on to the letter F. We continue to review all of the letters we have learned so far.

We will be completing some literacy activities with our read aloud books "There Was an Old Lady Who Swallowed Some Leaves" by Lucille Colandro and "There Was an Old Lady Who Swallowed a Pie" by Alison Jackson

2. We have been looking at the concept of more and less and this past week I extended it to include greater than, less than, and equal to. These are common math terms that I thought I would expose them to. They enjoyed making the crocodile/alligator eat the larger group of items. Using the crocodile/alligator will help them transition when they are required to use the greater than, less than, and equal to symbols. We are now moving on to the teen numbers.
3. In religious education our new ABC Bible Verse is "Do not be anxious about anything...." Philippians 4:6 We will focus much of the week on

thankfulness and giving God thanks.

### **Books:**

"There Was an Old Lady Who Swallowed Some Leaves" by Lucille Colandro and "There Was an Old Lady Who Swallowed a Pie" by Alison Jackson

### **Other:**

Much of the school is in the process of practicing for and recording music for the Christmas Concert. We will be practicing this week singing a simple song to be recorded on Friday. I am not a music teacher so it is merely an opportunity for the students to participate and have fun. If you could have your child wear a Christmas sweater/shirt on Friday for the recording. I am going to provide Santa Hats. This will be shown as a school wide event later in the season. If you do not want your child to participate please let me know.

Yours in Christ,
