## Friday Newsletter

### 4th Grade

### November 8, 2024

#### **Teacher's Message/Announcements:**

Dear 4th Grade Families,

We had a great week in 4th grade and hope you did as well! Please look in the announcements section to schedule a conference if you would like one. Thank you for all you do and please reach out to us if you have any questions. Have a fantastic weekend!

All the best,  
4th Grade Team

#### **Important School Announcements**

- **Parent/Teacher Conferences will be on November 14 & 15. Please use this link if you would like to schedule a conference. [Calendly Link](#)**
- PokeMon cards and toys are a distraction to the school day. Please refrain from allowing your child to bring collectors/trading cards or other toys to school unless specifically notified by your child's teacher.
- Diaper Drive–Faith in Action is holding a Diaper Drive for Loaves & Fishes now through November 22. Collection bins will be in the student hallways. Your donation of new packages or boxes of diapers is greatly appreciated by the food pantry and parents in need.
- **Lost & Found:** The Lost & Found is piling up! In addition to student items, there are several items that have been left by adults after events. Please make sure that student belongings (especially CCS-branded ones) are labeled. If you or your child are missing something, please come in and check the Lost & Found.

## Social Studies

---

This week in SS, students continued our unit which focuses on Native American history. Students learned about how Native Americans have lived in Virginia for thousands of years and which regions different tribes were. We also started our project on Chapter 2 which is a diorama of a Native American village. We did the writing portion in class. The actual creation of the diorama is to be done at home. The diorama is due on Monday, November 11.

## Math

---

This week in Math, we finished multiplication strategies and estimating multiplication problems. We also practiced word problems with multiplication aspects. Next week we will review the strategies we learned and prepare for our test.

**We will have our Math test on Thursday.**

## Language Arts/Reading/Writing

---

This week in LA, students began our new unit on nonfiction texts. This will culminate with a research project on natural disasters!

## Theology

---

This week in Theology, we learned about the different kinds of vocations and began researching for our Saint Projects. Next week we will continue to research, begin writing the reports and make our dolls. Thank you to everyone who donated for this project.

# Science

---

This week in Science, we reviewed the water cycle and learned about types of clouds. We went outside for a cloud hunt. Sadly, the sky was uncooperative. We also reviewed and had our test. Next week, we will look at landforms and the Earth.
