#### **Important School Announcements**

We will have mass on Monday, December 9, to celebrate the Solemnity of the Immaculate Conception.

Assessments for incoming Kindergarten students for the 2025-2026 school year will take place on Friday, January 10. Current Kindergarten students will NOT have school that day.

Diaper Drive–Faith in Action is holding a Diaper Drive for Loaves & Fishes now through November 22. Collection bins will be in the student hallways. Your donation of new packages or boxes of diapers is greatly appreciated by the food pantry and parents in need.

## Social Studies

---

We are focused on science this quarter.

## Math

---

We are now at the end of Unit 6 which includes understanding addition. We also continued to practice counting to 100! Some of them already know how to count to 100. At this time, the students are now expected to count to fifty. The students have also been counting to 100 by 5s and 10s. Our students have also started to count by 2s. We have calendar time during math every day. The students continue to learn our days of the week song, months of the year song and seasons every day.

## Language Arts/Reading/Writing

---

The students are continuing to practice reading to self and work on writing. Please have your child read the books we send home every Friday to you three times to practice sight words and fluency. **Our sight words this week are: they, but, at, with, all. Next week's words are there, out, be, have, am.**

## Theology

---

Our kindergarteners learned about the different vocations God has called us to and serve him. They also did a wonderful job of writing letters to a seminarian and how to pray for him. Those letters will be sent out today.

## Science

---

We spoke about bats and learned many different facts about them. The students colored and read the book about bats. All of the students also watched a short video about bats.
