Message from Kindergarten

It has been an exciting week as we celebrated the second week of advent. Students "lit" the second candle on their advent wreaths and added several ornaments to their Jesse Trees.

Please feel free to reach out with any questions or comments. The best way to contact me is by email.

Next Week

Our sight words this week were: there, out, be, have am. Next week and the first week in January, we will spend time reviewing sight words. Please practice sight words at home.

We will continue our Christmas Around the World unit and do lots of fun crafts.

Week in Review

Religion

We read a Bible story each day, prayed, learned about animals in the Bible and worked in our Catholic Reflections book. We are reading Luke chapter 2 each day. Students highlighted sight words in the passage. Each day, students added an ornament to their Jesse tree. On Tuesday, we spent a special time in the chapel for adoration and had mass on Wednesday..

Science and Social Studies

We learned about Christmas traditions from around the world and made a corresponding craft: USA: stocking, England: Christmas cards, Holland: windmill, Mexico: Poinsettia, and France: nativity scene.

We also made gingerbread playdough in the science lab.

Math

We continued learning about addition and played Christmas themed math games.

Language Arts

The sight words were: there, out, be, have, am. Please continue to practice these at home. We are practicing short vowel word families. This week the emphasis is on short i.
