Week in Review

Language Arts

In Language Arts this week, students learned how to "show, not tell" with their writing and how to make the settings of their stories come to life!

Social Studies

In Social Studies this week, students finished and tested on Ch. 4 which focused on how Virginia grew and changed primarily through the 1700's.

Math

In Math this week we have been focused on long division, and interpreting remainders in various word problem scenarios. We also learned the distributive property, and partial quotient strategies for division.

Science

In Science this week we have enjoyed sharing our Ecosystem projects with the class.

Religion

In Religion this week we have been focused on Unit 3 Lesson 12. We learned the Beatitudes, how our conscience helps guide us in decision making and how our happiness is an invitation from God, made possible with some special gifts he has given us (theological virtues and gifts of the Holy spirit). We have continued with our Advent readings and devotionals, and discussed the importance of our call as Catholics to advocate for justice and contribute to the common good.
