HAPPY NEW YEAR

I hope that you are all rested and have had an opportunity to spend quality time with family and friends. It is so hard to believe that it is now 2022.

Academics

1. We are going to review the current letters we have worked on, (N, E, C, R, I, F) .
2. We will begin an author study on Mo Willems and continue to talk about character and setting.
3. We will continue our math study of graphs.
4. A science exploration of magnets.
5. In religious education we are going to be talking about what and who we see at Mass.

Books:

A variety of books by Mo Willems, "Knufflebunny", "Pig and Elephant", "Don't Let the Pigeons Drive the Bus".

Other

I am going to be doing some Winter assessments just to see how the students are doing with the concepts we have worked on so far. I will send the results home in several

weeks after I have concluded my assessments.
