Message from Kindergarten

It has been an exciting week as we celebrated the first week of advent. Students finished making their advent wreaths. Mrs. Devlin helped them make Jesse Trees. Each day students listen to a Bible story and add an ornament to their Jesse Tree.

Please feel free to reach out with any questions or comments. The best way to contact me is by email.

Next Week

Our sight words this week were: did, do, get, what, so. The next week's words are: there, out, be, have am. Please practice these words at home.

Our Christmas Around the World is exciting as we learn about how different countries celebrate Christmas. This includes lots of crafts and fun activities.

Week in Review

Religion

We read a Bible story each day, prayed, learned about animals in the Bible and worked in our Catholic Reflections book. We are reading Luke chapter 2 each day. Students highlighted sight words in the passage. Each day, students added an ornament to their Jesse tree.

Science and Social Studies

We learned about maps and cardinal directions. Students listened to the story, Me on the Map by Joan Sweeney and made a folded graphic organizer to show their place on the map.

Math

We continued our Math Journals this week. We began a unit on addition and used cubes to show addition. Students also played Christmas themed math games.

Language Arts

The sight words were: did, do, get, so, what..
Please continue to practice these at home.
