Teacher's Message/Announcements

We are continuing our reading comprehension packets so please read them at home as well to work on the fluency of your child's reading.

Please continue to practice the sight words every day. These are extremely important for their kindergarten year.

Social Studies

We focused on science this week.

Math

We discussed numbers 16 to 19. We also continued to practice counting to 100! Some of them already know how to count to 100. At this time, the students are now expected to count to 75. The students have also been counting to 100 by 2s, 5s and 10s. We have calendar time during math every day. The students continue to learn our days of the week song, months of the year song and seasons every day.

Language Arts/Reading/Writing

The students are continuing to practice reading to self and work on writing. Please have your child read the books and reading comprehension packets sent home every Friday to you three times to practice sight words and fluency. **Our sight**

words this week were: of, his, had, him, her. Our sight words for next week are: some, as, then, could, when.

Theology

We learned about Saint Valentine and how he lived his life.

Science

We focused on an experiment with baking soda, food dye and water.
