Message from 4th grade Team

Hello 4th Grade parents,

We had a great week and hope you did as well! It's hard to believe that we are halfway through the third quarter! Time flies when you're having fun and learning as much as we are. We will continue to learn and grow as much as possible through the rest of the school year. Thank you all for your support and have a great weekend!

All the best,

4th Grade Team

Week in Review

Language Arts

In Language Arts this week, students peer reviewed each other's work for the American Revolution book. Students learned about the value of specific feedback and how to improve writing based on the feedback of others.

Students also continued to write the stories that they've been creating throughout the last few months.

Social Studies

In Social Studies this week, students continued to learn how the Constitution came to be and all of the hard work and compromise that went into it.

Math

In Math this week we have been focused on comparing and ordering fractions using benchmark fractions and finding common denominators. We have also been working on logical reasoning skills with word problems that involve fractions.

The Chapter 8 Math test will be on Friday, 2/25.

Science

In Science this week we have been focused on the Water Cycle. We enjoyed learning about the effects of the Water Cycle on weather, and enjoyed our reviews in preparation for the Ch. 9 Test. The students took pride in their "My Life as a Drip" Water Cycle narratives and had fun in class yesterday sharing them aloud. We will continue to share these next week.

Religion

In Religion this week we have been focused on the reasons why we pray. We learned that the Holy Spirit helps us pray, prayer helps us do God's will, prayer strengthens our relationship with God and the Holy Spirit, and ultimately strengthens us to live a happy life as Jesus' disciples. We had a wonderful and productive Passion Play rehearsal this week, too.

The Unit 4 Lesson 17 Religion Quiz will be on Wednesday, 2/23.
