6:00PM Father/Daughter Dance

### Announcements

Each year the Office of Catholic Schools sends out the Diocesan Parent Satisfaction Survey. The survey is designed to help schools receive feedback from our parents in order to assist us in planning for the future. You will find the link below. Please note that this survey is anonymous and all results go directly to the Diocese of Richmond. We do not receive individual results, rather a summary. We realize that this is a busy time of year, but your feedback is very important to us. Please prayerfully consider filling out this survey so that we may continue to grow. The deadline to complete the survey is Friday, March 3. Thank you in advance for your time. Your input is very important.

To the moon and back... on your dancing feet! Join us for the CCS annual Daddy Daughter Dance for JK-5 on March 4th from 6-8pm in our school cafeteria. The cost is \$15/pair plus \$5 for additional daughters. Please purchase your tickets in advance through [this LINK](#).

We need help decorating and with clean-up: please sign-up here: <https://www.signupgenius.com/go/10c0f4eaea62fa5f4c16-ccsfather#/>

## Social Studies

In Social Studies we studied Abe Lincoln through a fun brain pop jr video and reading our Scholastic News.

This coming week we will be diving into Dr. Seuss as we celebrate Read Across America week and Dr. Seuss' birthday!

## Math

For Math, we are learning to tell time on an analog clock. We just started this unit mid-week, as we were finishing up a unit on measurements, but your kids are quick learners! We're flying through this unit! We will continue into next week with our focus on learning to tell time on an analog clock.

## Language Arts/Reading/Writing

In Reading and Writing, we are reading a fun read aloud called, A Boy Called BAT. We are writing summaries with illustrations as we progress through this fun read! We are also finishing up our unit on The Koala Who Could. For grammar, we are learning about -ed endings and how to add this ending correctly to certain words.

## Religion

In Religion, we have been utilizing our Lent devotional, I hope you are able to use them at home as well!

## Science

We plan to finish up our Space Unit, utilizing the science lab some next week! I know the students are looking forward to finishing up this fun project!
