Friday Newsletter

4th Grade

Good afternoon, 4th grade families! It has been a marvelous March. We had quite a productive week at school, and look forward to continuing this momentum through the end of the 3rd Quarter. Have a wonderful weekend.

P.S.- We sent an email asking for volunteers to re-create two of our passion play sets that got thrown away after last year's performance. If you're interested in being a part of this team, please let us know. We will provide the sets!

Announcements

- Please make sure that your child's uniforms fit properly and guidelines regarding hair, makeup, and jewelry are being followed. Additionally, it is imperative that your child comes to school in proper outerwear for recess. Coats, hats, and gloves are required for the winter months. We truly appreciate your support.
- **Camp4Real Kids Night Out is Coming Soon!** We are excited to welcome Camp4Real to Charlottesville Catholic School on Friday, March 17 to host an awesome Kids Night Out event for our school community!
- **Kids Night Out is a three-hour drop-off event** that gives parents and caregivers the opportunity to have a night out while children enjoy a safe and exciting evening of active and engaging fun with their peers -- with a delicious catered dinner included!
- **Camp4Real events are led by Camp4Real founder and experienced physical educator, Scott Williams (AKA Mr. Dubs!), and he will be joined by our own Andrew Frazier!** The Camp4Real team is passionate about engaging children and families in fun, active play while incorporating dynamic education on the fundamentals of nutrition and movement for a healthy lifestyle.
- **Family fun with an impact!**
- Camp4Real is proud to support the CCS community and will donate a portion of the event proceeds right back to our school!
- Plus, Camp4Real offers sibling discounts!

Social Studies

This week in Social Studies, students finished 6 which focuses on the aftermath of the American Revolution. Students learned about the Louisiana Purchase as well as Westward Expansion. We also used our imaginations as we completed journal entries based on Lewis & Clark's travels.

Next week, we will complete a project based on chapter 6.

Math

In Math this week we have been busy learning about addition and subtraction of fractions with like and unlike denominators. We learned how to add and subtract mixed numbers, solve fraction word problems, and even began multiplying fractions by whole numbers. Next week we will take a test over Ch. 9.

The Ch. 9 Math Test will be Thursday, March 16th, 2023

Language Arts/Reading/Writing

This week in Language Arts, students have begun to learn about how to write effective essays and the components of string writing. Be on the lookout for fantastic essays from your child!

Next week, we will continue our work on writing high quality essays.

Religion

This week in Religion we have been focused on Unit 3 Lesson 13. Namely, we have studied the 10 commandments, and were able to separate the commandments that teach us how to love God from the commandments that teach us how to love others. We enjoyed think-pair-share activities that helped us to better understand the commandments. We also studied the precepts of the church to better understand our role and responsibilities as members of the Church starting with the reverence we aim to show God, our families, our friends, and ourselves. We took a quiz today over Unit 3 Lesson 13.

Science

In Science this week we have been learning about what causes changes in weather. We've learned about air masses, fronts, and practiced reading weather maps. We familiarized ourselves with various instruments used to measure weather, and shared aloud our "My Life as a Drip" water cycle narratives. We took a test over Ch. 9 today, and look forward to learning about planets and other objects in space next week when we start Ch. 10.
