5th Grade

Teacher's Message/Announcements

- There is no school on **Friday, March 24**, because it is the end of the third quarter. There is also no school for students on **Monday, March 27**, because it is a teacher work day.
- The end of the third quarter is fast approaching! We will be having our 3rd quarter CBG party on **Monday, March 20**. We are holding the party a little earlier than usual (we usually wait until the quarter is over) because Mondays are the best day to hold the party but Monday, March 27 is a teacher work day.
- Camp4Real Kids Night Out is Coming Soon! We are excited to welcome Camp4Real to Charlottesville Catholic School on Friday, March 17 to host an awesome Kids Night Out event for our school community!

Kids Night Out is a three-hour drop-off event that gives parents and caregivers the opportunity to have a night out while children enjoy a safe and exciting evening of active and engaging fun with their peers -- with a delicious catered dinner included!

Camp4Real events are led by Camp4Real founder and experienced physical educator, Scott Williams (AKA Mr. Dubs!), and he will be joined by our own Andrew Frazier! The Camp4Real team is passionate about engaging children and families in

fun, active play while incorporating dynamic education on the fundamentals of nutrition and movement for a healthy lifestyle.

Family fun with an impact!

Camp4Real is proud to support the CCS community and will donate a portion of the event proceeds right back to our school!

Plus, Camp4Real offers sibling discounts!

Social Studies

We will continue our focus on key figures in the early stages of our nation. Our class will be working on a project in class this week which covers topics like the Great Compromise, federalists, the Virginia Plan, the New Jersey Plan and more.

Math

This week we worked on adding and subtracting unlike fractions and working on simplifying fractions. We will begin working with adding and subtracting mixed numbers.

*Students will need to complete (mastery level) Khan Academy *Coordinate Plane, Line Plot and Multiply Decimals* by the end of the 3rd quarter. **DUE 3/15**

* Please practice the basic multiplication facts at home or in the car coming to and from school. Knowing your multiplication facts is a vital skill that students will be needing for success in math in school and in daily life.

Language Arts/Reading/Writing

This week we focused on object nouns, short stories in the *Journeys* anthology, and had a test on the spelling/vocabulary words from "James Forten."

Next week, students will focus on theme, using short stories from *Journeys*, and then we will start reading *The Phantom Tollbooth*. We will also have a quiz on object nouns and will then introduce indirect objects.

Two IRAs (one based on a classic story and one free-choice) are due on Friday, March 17. These will each count as a project grade.

Religion

This week students started studying about the sacraments, and we will continue that next week. They will have a test on this material on Friday, March 17.

Science

We learned about fossils and what they tell us about history. We will begin our weather unit this week.
