Friday Newsletter

Kindergarten

03/15/2024

Teacher's Message/Announcements

- Friday, March 22 is the end of the 3rd quarter. Students will have an 11:30AM dismissal that day. STEAM Aftercare and JK Extended Day will both be in session.
- Thursday, March 28 is an 11:30AM dismissal and begins Easter Break. JK Extended Day will NOT be offered that afternoon.
- Gala Auction "Stock the Bar" Wall
The *Wall of Wine* has been one of the most coveted auction items of galas past and this year the wall is growing to include all you'll need to fully STOCK YOUR BAR. The *Stock Your Bar Wall* will include 50 bottles of wine and spirits, mixers, and bar tools and we need your help to make this happen! Please drop off donations to the front office (you can also hand it off in carline and a teacher will ensure it gets somewhere safe). Thank you for your help!

Thank you for all of your support with the recent addition of homework.

Please send a well rinsed 64 ounce milk or juice carton by Monday, March 25.
Please send in 12 plastic eggs filled with small prizes such as stickers or small toys by Monday, March 25th. (The eggs will be put in a community pile and redistributed among classmates- your child will not take home all of the same eggs that he or she brought.)

Happy Saint Patrick's Day!

Kindergarten had an exciting week! Students made Leprechaun traps in the STEM Lab and left the traps in the classroom in hopes to catch a Leprechaun. The Leprechauns were very sneaky and could not be caught. However, they left a gold

coin for all the students. Thank you for sending in boxes. It was fun making the traps!

Calendar/Important Dates

03/28-Half day(Holy Thursday) 11:30 dismissal

03/29-04/07 Easter break

04/08 School starts back after Easter break

Social Studies

Students say prayers and the Pledge of Allegiance each day. We learned more about maps and land formations. The students created their own maps.

Math

Students are learning about two and three dimensional shapes. The students have also been enjoying centers which include work with a teacher, math binders and math games. The students are enjoying and practicing a lot of skills during math. We are also having the students recognize coins and telling time to the hour.

Language Arts/Reading/Writing

We continued fluency passages. Each passage focuses on a particular word family, consonant blend, or digraph. Please have your child read these passages to you at home.

Theology

During Theology this week, we watched some more short video clips and talked about how we give more of our time to God during this season of Lent. We will also be practicing, and participating in the stations of the cross every Friday during Lent in the chapel or outside at the top of the hill.

Science

This week we made leprechaun traps and the children really enjoyed it!
