Social Studies

We are focusing on science this quarter.

Math

This week we reviewed all concepts that were introduced when Mrs. Milnor was absent. We reviewed time, subtraction, bar graphs and 2D/3D shapes. We also learned how to use a calendar and what activities happen in the AM or PM. We talked about how this is another way to tell time. Next week we will continue with our study of graphing.

Language Arts/Reading/Writing

Reading

This week we continued to finish any reading assignments that were not completed in Mrs. Milnor's absence. Next week we will read the *3 Wolves and the Big Bad Pig*.

Grammar

Rather than introduce a new grammar this week, we reviewed previously taught skills (i.e., capitalization, punctuation, verb tenses, synonyms, and other conventions in our writing).

Writing

This week we wrote about different space topics for our space book. Writing activities in our Daily 5 rotations such as journal/story writing and dictation of sentences continued as well.

Religion

We started our Lent lapbook this week in religion. We also wrote about our Lenten promises. Next week we will continue our Lent lapbook.

Science

This week we continued learning about space. We watched some space videos and wrote space facts for our space book that we are making. Next week we will finish our study of space.
