## Friday Newsletter

### Kindergarten

March 24, 2023

Kindergarten had an exciting week! We flew kites in the field on Tuesday and made windsocks in the science lab on Thursday.

We will have a field trip on Friday, March 31. We will explore the science of force and motion as we play putt putt. Thank you to those who volunteered to go with us. Please send a well rinsed 64 ounce or larger milk or juice carton by Monday, April 3.

Please send in 12 plastic eggs filled with small prizes such as stickers or small toys by Monday, April 3. (The eggs will be put in a community pile and redistributed among classmates- your child will not take home the same eggs that he or she brought.)

We will extend Kite flying into next week.

Our last field trip will be to the VA Safari Park on May 1.

Thank you for all of your support with the recent addition of homework.

## Social Studies

---

Students say prayers and the Pledge of Allegiance each day. We continued to learn about famous African Americans.

## Math

---

We continued our Math Journals this week. Each day we graph the weather for the day, add a number to our calendar, draw a circle in our 180 day ten frame chart, and color in a number in our 100s chart.

We finished our unit on measurement.

Math Practice at Home

Tell the time on a clock in your house to the hour or half hour.

Identify coins and count change.

Add or subtract items in your house or while shopping at the store.

Group and count objects in your house.

Recite address and phone number.

## Language Arts/Reading/Writing

---

We continued fluency passages. Each passage focuses on a particular word family, consonant blend, or digraph. Please have your child read these passages to you at home.

## Religion

---

We read a Bible story each day, read a lent devotion, and prayed. We also have a science related devotion each day and we are learning a lot about God's amazing world.

## Science

---

Kindergarteners enjoyed learning about wind in the STEM lab. Students continued collaborating to build a mini golf course with second grade friends.
