Curriculum

Math

This week we wrapped up our unit on graphing. We completed a group project where students chose a topic, surveyed the class, collected data, and then used that data to create tally charts, bar graphs, pictographs, and create titles, labels, and questions related to our data using math vocabulary (e.g., in all, how many more, how many fewer, and combined). Next week will introduce money and a strategy to help students count money called Hairy Money.

Hairy Money

This concept allows students to simply skip count by 5's to find the total amount. Each coin gets a certain number of hairs: Quarters- 5, Dimes- 2, Nickels- 1, Penny- 0. Each hair counts for 5- so a quarter is worth 25 cents, a dime is worth 10 cents, a nickel is worth 1 cent, and a penny has zero hairs and is worth 1 cent. So, when students are counting coins, they will simply line them up from greatest to least value, draw the correct number of hairs on each coin and then skip count by 5's to find the total. Once they finish counting the silver coins, they will say stop (We will have them draw a line dividing the silver coins and then pennies) and continue counting by 1's!

Reading and Language Arts

Reading

This week we continued examining Fairy Tales and some common characteristics (e.g., Good vs. Evil, magic, and talking animals). We focused on *Goldilocks and the Three Bears* as well as the fractured Fairy Tale, *The Mermaid*. We compared the original with the new adapted version, which was aimed at providing additional humor and some unexpected twists to the story. We also continued to look at story elements (i.e., plot, setting, characters, problem, and solution). Next week we will read the book *Farfallina and Marcel*. We will focus on character action, dialogue, and character traits.

Grammar

Our focus this week was on Compound Words. We introduced and highlighted individual words with unique meanings and discussed how these words, when combined, create a new word with their own meanings. We also continued to practice using commas in a series, identifying proper conjunctions, and identifying other parts of speech. Next week we will talk about rhyming words.

Word Study/Spelling

Our target spelling patterns this week focused on the “bossy r” or r-controlled syllables in conjunction with the letter i (ir) and trigraphs (3 letters =1 sound) that also glide when spoken (ire). We spent time studying these patterns as well as looking at the power of the letter r when it follows any vowel, but specifically, the letter (i) this week. The i-r controlled spelling pattern will pronounce the same sound as the e-r (sir and her). The gliding sound will make what sounds like a long-i at the start and then end on the letter r sound, but it is still considered only 1 sound. Learning to spell words with ir, er, and ire can be tricky and requires a lot of time familiarizing yourself with these words. We also continued reviewing previously taught spelling patterns and skills along with syllable types, syllable division, and sentence dictation. Next week students will receive a new word sort (spelling list).

Writing

There were several ways we wrote this week. We wrote about story elements (characters, setting, problem and solution, themes) found in popular Folktales. We also practiced the skills of Comparing/Contrasting, Describing, incorporating Commas in a Series, and Conjunctions into our writing during various types of activities. Additionally, we had many writing opportunities across content areas including sentence dictation, spelling, written responses in science and math, and addressing new vocabulary. Writing activities in our Daily 5 rotations such as journal/story writing continued as well.

Religion

This week we started our Lent Lapbook activity and read different versions of the Easter story. Next week we will continue our lapbook and various Lent activities. **Please remember to send in an empty egg carton and 12 plastic Easter eggs to school ASAP.**

Science/ Social Studies

Animal Unit - Over the next few weeks, we will learn about animal habitats, adaptations, classifying animals, and more.

Homework

For the week of: 3/28-4/1

Math - 3rd Quarter Week 3 Math Sheet - Complete All Activities (**M - Th**).

Reading - Read for 15 min./night. Please record the title of the book that was read each night. Additionally, for each completed book, your child will color in their reading log for the month (e.g. March books = Shamrocks). Don't forget the monthly reading challenge that was included in the binder as well. These activities are designed to motivate readers/encourage students to have fun with reading. It's optional, but highly recommended.

Word Study/Spelling - Students should sort their Word Study/Spelling words each night as well as work on 2 activities total of their choosing from the Weekly Spelling Menu (**T - Th**, 10 min./night).

Religion - Path Through Lent Activity

First Grade Recess - Safety Concerns

We have been encountering some troubling behaviors at lunch recess recently and we are asking for your help. We have had an uptick of very rough play and playing on the playground equipment in an unsafe manner. The students have been talked to by multiple teachers as well as Mrs. Fallica about how to correctly use the playground equipment and how to play in a safe manner on the playground. At this point in time we have told the students that if they cannot play in a safe manner we will intervene and make sure that everyone is being safe. This may mean that the playground equipment is taken away or we are playing by ourselves on the playground/blacktop. This is the last thing that we want to happen. As educators and parents ourselves we know the importance of playing with friends and being outside socializing and we do not want to take away that opportunity but it is our job to make sure that everyone is safe first and foremost.

If you could please speak with your children about the importance of playing safely ex: no tackling, pushing, pulling, using the slide and other equipment correctly, not climbing on things that are not meant to be climbed on, etc. that would be greatly appreciated. We know that if we work together we can have this issue resolved in no time.

Outside for Snack, Lunch, and Recess

Please be mindful of those colder fronts that may sweep through over the next few months. Perhaps it's not the heavy winter jacket, but since we will continue to go outside for snack, lunch, and recess, some type of long sleeve coat or sweatshirt is still a good idea. Inside the school can sometimes feel a bit chilly as well. And if need be, your child can still bring coats, hats, and gloves with them to school. Ladies should not have bare legs when the temperature is below freezing. Please make sure they wear tights or leggings under their jumpers.

We are still in Winter Dress (Spring Dress will begin Monday, April 25th)

This means we are not wearing shorts and ankle socks. Girls must also be in navy knee highs, navy leggings, or navy tights. Please have your child try on their uniform pants to make sure that they fit, and place orders soon, as Flynn O'Hara has been running into distribution and shipping delays.

Snack (9:00)/ Lunch(11:50)

Please include a snack with your child's lunch everyday along with a filled spill proof water bottle. Just as a reminder we cannot give out food or plastic utensils to children this year. Also, please be mindful of the food that you are packing. Both First Grade classrooms are nut free, so double check labels. ***Please make sure that water bottles only contain water. We have had a few juice/ sports drink spills and they become rather messy.***

Masks and Water Bottles

We cannot give out extra masks to students. Please make sure to pack an extra mask or two in your child's bag. Also, please make sure that students are bringing a water bottle to school daily. We do not have disposable water bottles at school for the students to have.

Specials Schedule

Monday - Library Tuesday - Art Wednesday - Art and Music

Thursday-P.E. and Music Friday - Mass and Library

CCS School Calendar (December 2021 - June 2022)

[CCS School Calendar December 2021-June 2022](#)

We have several major CCS events missing from the calendar such as Grandparents and Great Friends Day, Field Day, the Art Show, and our Read-A-Thon. These events must remain fluid due to ongoing COVID 19 restrictions.

Dress Uniform

Boys - Blue pants, white dress shirt, CCS tie/bowtie, black school shoes, and blue or black socks **NO** white.

Girls- Plaid jumper, solid dark shorts underneath, white peter pan collared shirt, navy knee socks **NO** white or black knee socks, and black school shoes.

Blue & Gold Days (Not Every Monday)

Please check the calendar above for designated Blue & Gold Days. There has been some confusion about this.
