4th Grade 3/25/2021

Message from 4th grade Team

Hello 4th Grade Parents,

Life is sweet in Fourth Grade. It's hard to believe that today already marks the end of the 3rd Quarter. With Passion Play on the horizon, we are working hard to manage our time, and one step closer to accomplishing all our 4th grade goals. We are so proud of how far we've come, and will continue with tenacity to finish out the year strong.

In Christ,
4th Grade Team

Announcements

- **Please be mindful of absences especially now that we are rehearsing for the Passion Play! (appointments, trips, etc)**
- **As we have several students with peanut allergies in 4th grade, we are a peanut free grade level. That includes snacks, lunches, and any other form of food.**
- ***Please remember that the only accepted variations of the navy blue uniform pants come from FlynnO'Hara, and Lands End.***
- **Contact Emails: a.burgin@cvillecatholic.org a.taleghani@cvillecatholic.org**

Charlottesville Catholic Scholarships

CCS is honored to be able to offer 4 scholarships to our rising 5th-8th grade students. Please see the information packet linked below for scholarship descriptions and the application. All current 4th, 5th, 6th, and 7th grade students are encouraged to apply. The required student essay will be written in school on Tuesday, April 12 from 3:30-4:30pm. All required documents should be returned on that date prior to the writing session.

Week in Review

Language Arts

In Language Arts this week, students watched the movie, “Because of Winn Dixie”. After watching, we compared/contrasted between the movie and novel and then wrote an opinion essay on which was better.

Social Studies

In Social Studies this week, students continued Chapter 7 which focuses on the Civil War. Students learned about the Underground Railroad, Abraham Lincoln, and why there was conflict between northern and southern states.

The Ch. 7 Test is currently scheduled for Tuesday, April 5.

Math

This week in Math we learned how to compare and order decimals using models, place value, and a number line. We enjoyed our collaborative learning activity to practice our 4-step problem solving plan, and continued practicing fraction and decimal notation.

Science

This week in Science we have been focused on Matter and its properties. We have been focused on states of matter, and on physical properties of matter like mass, volume, and density. We began a mini-project in which we are scientists who have discovered a "Mystery Matter". Our job is to write a report using physical properties to describe this new substance. Project instructions can be found on Google Classroom.

The Ch. 11 Test is on Friday, April 1st. The Mystery Matter Writing Project is due on Friday, April 1st.

Religion

In Religion this week we had an introduction to the liturgical calendar, and seasons of the Church. We talked about the importance of the Saints, Holy Days of Obligation, and ways we can celebrate Mary and Jesus throughout the Church year. 4A is looking forward to planning Mass on April 1st!

Passion Play costumes should be finalized for dress rehearsal the week of March 28th.
