

French Art in a virtual world with our local Alliance Française!

CCS students in grades 2-5 are invited to join us online for 4 weeks of French Art After-School!

We will dive into a new French artist each week, with a fun craft to represent that artist's work.

We will learn lots of French along the way!

All supplies are provided by the Alliance Française.

For registration and more information, please visit

Frenchville.org

We will meet once/week beginning the week of April 19th.

We look forward to having fun with you in the world of art and French!
