Message from 4th grade Team

Hello 4th Grade Parents,

It has been a wonderful week back from break. The weather is beautiful, and we are all smiles to be back together. With only 5 full weeks left of school, it is more important now than ever for us to keep trudging on strong! We are so proud of the students for memorizing their lines and blocking for Passion Play while simultaneously upholding the expectations of being a CCS 4th grader. We have full faith and confidence that this work ethic will stick! We commend the effort we've seen as your students continue to blossom and thrive.

All the best,
4th Grade Team

Next Week

- In Language Arts, students will continue our new novel, “Number the Stars”. This is a historical fiction book. Students will also begin their final book club with other historical fiction books!
- In Social Studies, students will continue Ch. 8 which focuses on Reconstruction (Post Civil War Era).
The Ch. 8 Test is scheduled for Thursday, May 5.
- In Math, we will continue Chapter 12 on Metric Units of Capacity. This test is scheduled for Wednesday, May 4th. We will begin Chapter 13 on Area and Perimeter.
- In Science, we will continue Chapter 13- “Sound.” This test is scheduled for Tuesday, May 3rd. We will begin Chapter 14- “Light and Heat.”
- In Religion we will be focused on Unit 5 Lesson 26. This lesson will be focused on the liturgical season of Easter. Our Unit 5 Lesson 26 quiz is scheduled for Thursday, May 5th. We will also be having our second “Protecting God’s Children” Virtus Lesson, on Monday, May 2nd.

Week in Review

Language Arts-

In Language Arts this week, students began the Suitcase Project which is based off of the novel we just finished, “Some Places More Than Others”. Information on the project can be found in the Reading Google Classroom. Please let me know if you have any questions.

Social Studies

In Social Studies this week, students completed a virtual Choice Board in which they learned about different battles from the Civil War. We also began Chapter 8 which focuses on the post Civil War period.

The Ch. 8 Test is scheduled for Thursday, May 5.

Math

In Math this week we have enjoyed learning about Metric Units of length, capacity and mass. We have been solidifying our understanding of Metric units of measure with word problems, learning conversions between these units, and relating what we know of the Customary system to the Metric system.

This Ch. 12 Math test will be on Wednesday, 5/4.

Science

In Science this week we have been focused on the properties of sound waves, how sound is produced, ways we measure sound, and the various ways sound waves travel.

The Chapter 13 Science Test is scheduled for Tuesday, 5/3.

Religion

In Religion this week we have been learning about the three days that make up the liturgical season of the Triduum; Holy Thursday, Good Friday, and Holy Saturday. We have enjoyed participating in our Readers' Theaters over the course of this past week to better understand the meaning of Jesus' Temptation in the Desert and the Agony in the Garden.

***Please remember to return any/all parts of the Passion Play Costume your child was given in a Ziploc Bag labeled with his/her name and character. If you would like to donate the costume your child wore that would be greatly appreciated. Many thanks to those of you who have.<3 <3 <3

The Unit 5 Lesson 26 Quiz is scheduled for Thursday, 5/5.
