Social Studies

When we return from break we will start our unit on maps and our unit on Virginia.

Math

This week we will continue our study on graphs and construct some Easter themed graphs. When we return we will start our unit on money.

Language Arts/Reading/Writing

Reading

This week we examined Fairy Tales and some common characteristics (e.g., Good vs. Evil, magic, and talking animals). We focused on *The Three Little Pigs and the Big Bad Wolf* as well as the fractured Fairy Tale, *The Three Little Wolves and the Big Bad Pig*. We compared the original with the new adapted version, which was aimed at providing additional humor and an unexpected twist to the story. We also continued to look at story elements (i.e., plot, setting, characters,

problem, and solution). Next week we will continue exploring Fairy Tales with the classic *Goldilocks and the Three Little Bears* and the adapted, Fractured Fairy Tale, *The Mermaid*. Compare and Contrast will be our focus skill.

Grammar

Our focus this week was on Commas in a Series. We first practiced identifying nouns and activities that were being listed and belong together in a sentence. We then learned how to place commas in between these items (e.g., 3 things listed will require 2 commas). This also gave us the opportunity to review conjunctions (and, or), which can influence the meaning of a sentence. Next week we will introduce Compound Words.

Writing

There were several ways we wrote this week. We wrote about story elements (characters, setting, problem and solution, themes) found in popular Folktales. We also practiced the skills of Comparing/Contrasting, Describing, incorporating Commas in a Series, and Conjunctions into our writing during various types of activities. Additionally, we had many writing opportunities across content areas including sentence dictation, spelling, written responses in science and math, and addressing new vocabulary. Writing activities in our Daily 5 rotations such as journal/story writing continued as well.

Religion

This week we met with our Faith Buddies and explored the 8th grade churches. Our Faith Buddies helped us with a church scavenger hunt in which we looked at the shapes of churches and all the details that churches have. We also wrote an Easter poem and explored our resurrection eggs.

Science

This week we put together our space books. When we return we will start our unit on animals and their adaptations.

Other Information

Snack (8:45/9:00)/ Lunch(11:50)

Please include a snack with your child's lunch everyday along with a filled spill proof water bottle. Please be mindful of the food that you are packing. Our first grade classroom is nut free, so double check labels. Nuts are okay to bring into the cafeteria for lunch time this year!

Homework (M-Th)

For the week of: 4/17-4/21

Math- Math Spiral Review 11

Reading- Read for 15 min./night. Please record the title of the book that was read each night. Additionally, for each completed book, your child will color in their reading log for the month (e.g. January books = Snowflakes). Don't forget the monthly reading challenge that was included in the binder as well. These activities are designed to motivate readers/encourage students to have fun with reading. It's optional, but highly recommended.

ELA- ELA Spiral Review 11

Religion- Kindness BINGO (optional)
