Dear 4th Grade Families,

We had a wonderful week in 4th grade and hope you did as well! 2 weeks to go! Even though we are near the end, we are still learning and growing! Our field trip was a huge success today. Thank you to our volunteer chaperones! Next week we will have Field Day on Friday and an 11:30 dismissal as well! Thank you and please reach out if you have any questions.

All the best,

Social Studies

This week in SS, students began our final chapter in Social Studies. This looks at big events in the last century. Students learned about the causes of World War I, the Great Depression, and World War II! We will continue this unit next week.

Math

This week in Math, we reviewed in preparation for our MAP test. I am so proud of how hard the students worked. We also had our last unit test. Next week we will begin our end of year math project. **(This is an in school project, though student may ask to print out pictures at home to use)**

Language Arts/Reading/Writing

This week in LA, students finished our novel, *Some Places More Than Others*. This is a wonderful story about family, identity, forgiveness, and so much more. Students also learned about their end of year project (The Suitcase Project). There is a big writing component involved with this project. I put that information on Reading Google Classroom.

Theology

This week in Theology, we completed another chapter in our Christ in Us book. We also had our field trip to the monastery. The student had a great time and asked some wonderful questions.

Science

This week in Science, we continued to talk about data and how to interpret it. We also learned about finding averages and common information in data results.

Next Thursday, we will have our final Science test.
