

# Charlottesville Catholic School Aftercare Powered by STEAM!

STEAM Discovery Academy is thrilled to partner with Charlottesville Catholic School to provide on-site aftercare programming for Kindergarten through Eighth grade students daily during the 2023-24 School Year. Featuring daily STEAM workshops, students will have the opportunity to supplement their school learning with fun and creative activities!

The daily schedule includes time for snack, outdoor play, fun with friends, and homework, along with supplemental STEAM activities. These activities are based on learning through play, allowing students to explore new ideas, learn new skills, and broaden their experience in a supportive, fun, and engaging learning environment.
