## Social Studies

---

This week we continued talking about American Symbols. We learned about the White House, The Washington Monument and the Lincoln Memorial. We also created a poster to put in our American Symbols folder.

## Math

---

This week we completed our unit on time and took an assessment. Next week we will review all concepts we have learned in math this year.

## Language Arts/Reading/Writing

---

This week we used our reading/writing time to practice for our poetry cafe and spent the rest of our time reviewing skills that we have learned this year. Next week we will continue our review.

## Theology

---

This week we continued our study of Theology of the Body. We read *The Animal Hedge* by Paul Fleischman and talked about vocations and how we can make a gift of ourselves to both God and others through our vocations. We, also, read *A Seed is Sleepy* by Dianna Aston and talked about the gift of our bodies; how God created our bodies, in addition to our souls, with intention and purpose and that we should treat them with respect and care knowing that they have meaning and value.

## Science

---

We focused on social studies this week :)
