## Message from 4th grade Team

Hello 4th Grade Parents,

We had a great week and hope you did as well! While our time together is winding down, we are still completing challenging, yet engaging work and projects as we make every day that we have left together count. Thank you for your continued support and for being a wonderful part of the CCS community.

All the best,

4th Grade Team

## Announcements

- **Please be mindful of absences (appointments, trips, etc).**
- As we have several students with peanut allergies in 4th grade, **we are a peanut free grade level. That includes snacks, lunches, and any other form of food.**
- *Please remember that the only accepted variations of the navy blue uniform pants come from FlynnO'Hara, and Lands End.*

- In Science, we will review for our Ch. 14 test. **This test is scheduled for Wednesday, 5/11.**
- In Religion we will be focused on Unit 5 Lesson 27 and Unit 5 Lesson 28. These lessons are focused on the liturgical seasons of Pentecost, and Ordinary Time. **There will be a Unit 5 Lesson 27 Religion quiz on Tuesday and Unit 5 Lesson 28 quiz on Thursday of next week.**

## Week in Review

### Language Arts-

In Language Arts this week, students continued *Number the Stars*. This is a historical fiction book. Students also began work in their historical fiction book clubs.

### Social Studies

In Social Studies this week, students completed Chapter 8 which focuses on the post Civil War period. Students also began work on a project about the Industrial Revolution!

**The Industrial Revolution Project is due Friday, May 12.**

### Math

In Math this week, we finished our Unit on Measurement. The students took their test on the Metric system, and we began Chapter 13 on Perimeter and Area. The students came up with Area and Perimeter formulas themselves! We have enjoyed playing "Conquer the Area" on graph paper and solving word problems related to Perimeter and Area to better understand this topic.

#### Science

In Science this week we have been focused on light and heat. We have been learning about ways light travels, and how heat is transferred, produced, and used.

#### Religion

In Religion this week we have been focused on the liturgical season of Easter. In this Unit we highlighted the importance of our Baptism and acknowledged the celebration of the Sacraments of Initiation. We discussed the importance of being called as one in the Body of Christ to continue Jesus' earthly mission.
