School Announcements

- Our annual May Crowning will be held on Tuesday, May 13 during Mass. At the beginning of Mass, all students will present flowers to Mary. **Each student is asked to bring in one (1) long-stemmed flower that morning.**

Teacher's Message/Announcements

We are continuing our reading comprehension packets so please read them at home as well to work on the fluency of your child's reading.

PLEASE bring a flower for Mary on May 13th.

Please have students practice your phone number and address. I also want them to study a penny, nickel, dime, quarter and half dollar and the value of each one.

Please continue to practice the sight words every day. These are extremely important for their kindergarten year.

Social Studies

We focused on science this week.

Math

We are reviewing addition, subtraction and three dimensional shapes. The students are continuing to practice the name and value of a penny, nickel, dime, quarter and half dollar. We also continued to practice counting to 100! Some of them already know how to count to 100. At this time, the students are expected to count to 100. The students have also been counting to 100 by 2s, 5s and 10s. We have calendar time during math every day.

Language Arts/Reading/Writing

The students are continuing to practice reading to self and work on writing. Please have your child read the books and reading comprehension packets sent home every Friday to you three times to practice sight words and fluency. **Our sight words this week were: don't right, green, their, call. Our sight words for next week are: been, off, cold, tell, work.**

Theology

We watched the live feed of the pope yesterday and it was so exciting! We also read more of our chapter book What Would Jesus Do? We will be participating in the rosary as a whole school every Thursday for the month of May.

Science

We spoke about the different types of habitats animals live in every day throughout the year.
