Ms. Wawner's class has continued reviewing our sight words through table rotations and fun games. We have also continued to work on worksheets for beginning letter sounds.

I have enjoyed sharing my love of reading with your children. Your children have devoured the Mercy Watson stories and I would love to encourage you to read those with your children to see their delighted faces as they await Mercy Watson's next adventure that always leads to....toast with lots of butter! After we finished this series, we have moved on and are finishing up the first Zoey and Sassafras book: Marshmallows and Dragons! This is another excellent series to check out of the library or purchase for your home library! I would also be happy to share more series suggestions if you are interested! ~ Mrs. Bryan
