## Friday Newsletter

### Kindergarten

June 2, 2023

Kindergarten had an exciting week! We made pop up cards for eighth graders. We also sang Friends Are Like Flowers and gave them flowers at the end of Mass on Tuesday.

Please make plans to attend the **Kindergarten Celebration** on **Wednesday, June 7 at 10:00** in the Performance space. We have much to celebrate and the students are excited about sharing with you. We will have an ice cream social following the Kindergarten Celebration. Please sign your child out following the ice cream social.

### **Important Dates**

- 6/7 Kindergarten Celebration 10:00 and last day for kindergarten

We are so very thankful for you. It has been a special year and we are grateful for all of your support!

Please feel free to reach out with any questions or comments. The best way to reach us is by email.

### **Social Studies**

---

Students say prayers and the Pledge of Allegiance each day.

## Math

---

We continued our Math Journals this week. Each day we graph the weather for the day, add a number to our calendar, draw a circle in our 180 day ten frame chart, and color in a number in our 100s chart.

### Math Practice at Home

Tell the time on a clock in your house to the hour or half hour.

Identify coins and count change.

Add or subtract items in your house or while shopping at the store.

Group and count objects in your house.

Recite address and phone number.

## Language Arts/Reading/Writing

---

We continued fluency passages. Each passage focuses on a particular word family, consonant blend, or digraph. Please have your child read these passages to you at home.

## Religion

---

We read a Bible story each day, read a lent devotion, and prayed. We also have a science related devotion each day and we are learning a lot about God's amazing world.

## Science

---

We hope you enjoy some special time exploring nature this summer.
