

PARAPROFESSIONAL POSITION

My name is Everett and I am looking for an assistant to attend Charlottesville Catholic School with me this year. I am smart, energetic, loving, and excited to join an inclusive Junior Kindergarten class! I know my alphabet, can count to 20, know all my colors and am working hard on the dexterity and strength to write and draw. I am hearing impaired and have Down syndrome. I've really been working on my verbal communication this past year and currently use a mix of verbal, basic sign language, and gestures to communicate. Give me a week with you and we'll have no problem learning how to communicate together! I am potty-trained, but do occasionally have accidents and need reminders because of my low muscle tone—we're working on it and it's going so well. I'd love to meet you and see if we can learn together this year!

Ideal Candidate: Passionate about education and excited to have a very meaningful contribution to Everett's early childhood experience. Dependable. Interested in an in-school position in a Junior Kindergarten setting alongside a Teacher and Teaching Assistant. Fully vaccinated.
