Students in Level II or higher are strongly encouraged to take 2 classes or more per week for better progress. Two ballet classes required to take Pointe. Need-based student scholarships available.

NOTE: When more than one style of dance is listed the greater emphasis is on the first style listed. For example when ballet is listed first, students learn proper ballet positions, moves & terms, then also have fun with a change of music trying out some jazz or tap!

"My daughter has been taking lessons for 4 years. She has developed a passion for dance and I attribute that to the positive environment of the entire school and the excellent dance instruction that she has received." —Nancy A. (parent)
