## Friday Newsletter

### Kindergarten

### 08/25/2023

#### **Teacher's Message/Announcements**

- **Starting next week, Kindergarten students need to be dropped off in morning carline—please do not park and walk your child in. Make your way through carline (up and around the loop) and a staff member will help your child out of the car and into the building.**

#### **Calendar/Important Dates**

8/29 - First Mass of the 2023-24 School Year (please join us!)

8/30 - Start of year assessments- Reading

9/4 - Labor Day (no school)

9/7 - JK-5th Grade Back to School Night

9/16 - Back To School Picnic, 3:30-6:30 pm

9/22 - 1st Quarter Interim

10/9 - Teacher Work Day (no school)

10/20 - End of 1st Quarter

## Social Studies

---

We talked about citizenship and the importance of the pledge of allegiance. Also, we spoke about working together as a classroom and being a community. Our classrooms are similar to a family where we respect and are kind to each other.

## Math

---

We practiced counting to 100! Some of them already know how to count to 100. But, at this time, the students are only expected to count to twenty five. We also started calendar time during math. The students learned our days of the week song as well as our months of the year song. Our students also talked about the four seasons God created.

## Language Arts/Reading/Writing

---

We have been introduced to books with just pictures as well as books with simple words. The students have also been able to choose books for their book bins. They are so excited to start reading!

## Theology

---

The students learned that theology is the study of religion, and that we are learning about the Catholic religion in our school. The students also were taught that many Christian prayers are similar to the prayers we say in Catholicism.

## Science

---

We went to the STEM lab twice this week to review the rules and procedures. It is going to be a great year in science!
