Friday Newsletter

Kindergarten 8/26/22

## Message from Kindergarten

Thank you dear parents for sharing your beautiful children with us! We have had a great week, learning about each other and how CCS works. We have visited the Science Lab, P.E., library, and music room so far. If you need us, the best way to contact us is by email. Have a great weekend!

- 12/2 Blue & Gold
- 12/14 Christmas Concert
- 12/16 11:30 Dismissal
- 12/19-30 Christmas break

## Next Week

We will begin our one on one assessment of each child, so that we have a beginning point for everyone. Students will be doing lots of fun activities centered around the book Chicka Chicka Boom Boom. We will continue learning about Creation and exploring Math manipulatives.

## Week in Review

### Religion

We have been talking about the Story of Creation and have been practicing the pledge to the flag and our prayers (The blessing, Our Father, Hail Mary, and glory Be.) We went on a nature walk and then made prayer rocks to remind us to pray.

### Science

In the Science Lab we invited Nurse Q. in to talk to us about good hygiene. We learned that we should cough or sneeze into our elbows and use hand sanitizer or wash our hands after using the restroom and before we eat. We did a science experiment with soap, water, and pepper in which we made the "germs" disappear.

### Math

We have been adding a date to the calendar, tallying the number of days in school, and finding the calendar's pattern for the month.

### Language Arts

We have been reading lots of books. We often look for rhyming words, how the characters are treating each other, and how they solve problems. We have been looking for new and interesting words and making predictions. We also read Curious George Makes Pancakes and talked about what it means to be independent.

### Handwriting

Students are working on pencil grip.
