Friday Newsletter

4th Grade 9/17/2021

Message from 4th grade Team

Hello CCS parents,

We are so happy to have had a full week with our students! Now that the fourth week of school is complete, we are picking up the pace a bit and really learning what it means to be a 4th grader. Students are rising to the challenge and are doing a fantastic job!

Have a wonderful weekend!

Blessings,
4th Grade Team

Follow-up back to school night information: All tests and quizzes for Math, Science and Religion will be taken via google forms. Each time your child takes a test or quiz, he/she will receive a response receipt with his/her answers, the questions, and the correct answers, along with the final grade. They are able to see the questions missed/correct answers and their grade immediately following their submission. I want to be sure you all are able to keep up with their test/quiz progress so it is imperative for you to have access to their email login information. Should you need this information please let me know and I'd be happy to share it with you. They were all given a notecard with their email and password, and many of the students have memorized it already.

Announcements

- Please be mindful of absences! (appointments, trips, etc)
- As we have several students with peanut allergies in 4th grade, **we are a peanut free grade level. That includes snacks, lunches, and any other form of food.**
- Contact Emails: a.burgin@cvillecatholic.org a.taleghani@cvillecatholic.org

Next Week

- In Language Arts, we will continue our first novel, “The Tiger Rising”. Students will also continue to learn the basics of grammar, story arcs in narrative nonfiction, and more! **There will be a spelling test over list 2 on 9/24.**
- In Social Studies, we will start Ch. 1 of our Virginia History textbook. Our first section is an overview on the geographic regions of Virginia.
- In Math, we will continue Chapter 2. We will be focused on Addition and Subtraction. Our next Math test will not be until the week of the 27th.
- In Science we will continue Chapter 1- “Classifying Living Things”. **This test is scheduled for Friday, 9/24.**
- In Religion we will finish Unit 1 Lesson 3: “Why God Made Us.” **This quiz will be on Tuesday, 9/21.** We will then begin Unit 1 Lesson 4: “Who is Jesus Christ?” We look forward to planning Mass for October 1st.

Week in Review

Language Arts

In Language Arts this week, students learned not only how to summarize, but to synthesize stories, envision settings, and make inferences. We are about halfway through our first novel!

Students will also continue their nightly reading logs next week. This will be in their homework folder. Students are expected to read and fill out their reading log nightly Monday through Friday.

Spelling Test on 9/24.

Social Studies

In Social Studies this week, students worked on and finished our “Great American Hero” research project. In this project, students were able to choose 1 of 5 possible American heroes and create a Google Slides presentation on them

Math

In Math this week, we took our test on Chapter 1, and began Chapter 2. We learned all about the Identity, Commutative and Associative Properties of Addition, Rules of Subtraction with 0's, addition and subtraction within 10's, 100's, 1,000's, 10,000's etc., and how to add and subtract mentally by making a ten, hundred or thousand in a given equation.

Science

In Science this week we have been focused on Chapter 1. We learned about the 5 Kingdoms scientists use to classify organisms, and are making illustrative diagrams of plant/animal cells to help us learn the functions of each organelle. We also learned about vascular vs. nonvascular plants, and about vertebrates and invertebrates.

Religion

Students have enjoyed being reflective about their special mission as anointed disciples of Christ. We have highlighted God's distinct plan for us and how we were created uniquely in his image and likeness. Other themes we have been focused on this week include dignity, faith, and love.
