4th Grade

September 6, 2024

Teacher's Message/Announcements:

Dear 4th Grade Families,

We had a wonderful week in 4th grade and hope you did as well! It is hard to believe that we have been in school for 3 weeks! We are enjoying our time with our students and really enjoyed seeing so many of you at Back to School Night this week!

Thank you for all you do and please reach out to us if you have any questions. Have a fantastic weekend!

All the best,
4th Grade Team

Calendar/Important Dates

- September 11- The MAP Reading Test has been rescheduled for next Wednesday

Teacher email addresses

a.burgin@cvillecatholic.org h.meszaros@cvillecatholic.org

Important School Announcements

- Here's a link to our Fall clubs. [Link](#)
- A great way for us to help our students become collaborators and leaders is to encourage them to participate in the mass choir. This year, we are inviting students in grades 3 through 8 to sign up. Below is a link for the sign up and a few items of note:
 - <https://www.signupgenius.com/go/9040C44ACAA2DA31-50743257-mass>
 - Students may sign up for as many masses as they would like.
 - Mass choir is open to students in grades 3 through 8.

- Students should be dropped off at 7:40 so that there is time to practice. If you are running late and arrive after 7:45, you must go through the carline.
- Siblings may be dropped off as well. They will need to sit quietly up front until the bell rings at 7:45.
- Students will also be practicing mass music in class.
- While you should receive a reminder email from signupgenius, please make note of the dates you sign up for.
- If you must cancel at the last minute, please email Ms. Wisbey at k.wisbey@cvillecatholic.org.

Social Studies

This week in SS, students finished up and presented their Map Projects. This was a very interesting and engaging activity. Students presented well and had a blast!

Next week, students will participate in their first research project! More information on this will be available in Google Classroom next week.

Math

This week in Math, we worked on comparing and rounding numbers. We also added anchor charts to our notebooks which students will be able to utilize later on in the year. We have finished our unit on place value and have begun studying for our test.

Our Place Value test will be this Tuesday. Students completed a review sheet which can be used to study along with their notebooks.

Language Arts/Reading/Writing

This week in LA, students worked on their summarizing skills! This is an important skill that they will use throughout the school year. We also began *The Tiger Rising*.

Next week, we will continue our novel, *The Tiger Rising*. This is a wonderful story that I'm sure you'll be hearing all about soon!

Theology

This week in Theology, we completed our first chapter of our "Christ in Us" textbook. Due to the change in MAP testing we were able to work a head and completed our Chapter quiz early. We also went to the chapel for the first time and reviewed expectations for using the space.

Science

This week on Science, we checked on our experiment from last week. Sadly, we did not get the results we were hoping for, but we made the best of it. We finished our chapter on cells and plant classification and will be moving into classifying animals.

Next week students will have a science quiz on what we have learned so far. They will have their vocabulary flashcards and review questions on Monday to study with.
