Teacher's Message/Announcements

Thanks for coming to Back to school Night! It was awesome. Please practice the sight words every day.

***Please remember to have your child's library books in their backpacks on Monday mornings so they can check new ones out.**

s.chung-hirano@cvillecatholic.org

Important School Announcements

Fall Festival is 10/6/2024.

Social Studies

We review the words and importance of the pledge of allegiance. We continued to talk about working together as a classroom and being a community. We also practiced our drills we conduct at school to keep us safe.

Math

We continued to practice counting to 100! Some of them already know how to count to 100. But, at this time, the students are only expected to count to twenty five. We have calendar time during math every day. The students learn our days of the week song, months of the year song and seasons every day. We also started our math workbooks today. The students are starting to understand how our math centers operate each day.

Language Arts/Reading/Writing

The students are continuing to practice reading to self. They read books in the three ways we taught them: read the words, read the pictures and retell the story. We also started our first five sight words this week: a, and, I, the, to. Students practiced writing their sight words.

Please use the sight word resources in your child's folder to help your child practice sight words at home.

Theology

The students are continuing to learn what God made during the creation stories. They are also learning that God loves them and drew pictures of what God created. We also go to the chapel every Friday to learn bible stories and sing songs.

Science

We are focused on social studies this quarter.
