**Value: \$1,200**

Fifty bottles of our CCS parents' favorites, each worth a minimum of \$15, many are worth much more! All bottles were donated by our wonderful CCS families. Don't always like the wine your guests enjoy? This is a great way to get a wide variety so that you'll always have something for everyone. Who will take it home? Decide if you'll bid on it alone and take the whole package or join forces with friends and divvy up the goods. Either way, if you like to entertain or have wine with your meals at home, this package is for you. You have an instant, well-stocked wine cellar.
